

WW3S: Survive the Apocalypse

Abstract

Worried about the imminent threat of nuclear war, accelerating global warming, or unchecked AI development? So are we. Leading scientists and UN experts warn that a global conflict could force us into underground shelters within months. In response, we created **World War 3 Shelter Coin (WW3S)**—an initiative to build a global network of shelters, unite a committed community, and raise awareness about these urgent threats.

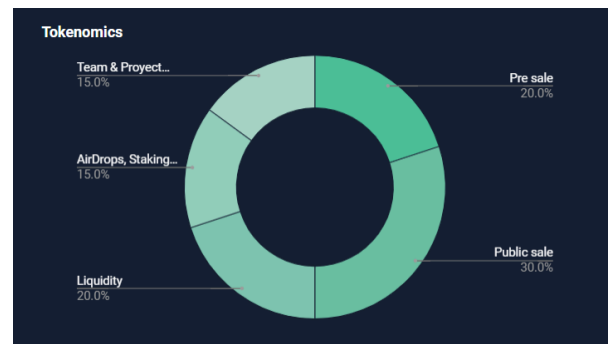

By investing in **WW3S**, you gain priority access to our shelters and the chance to shape humanity's future. Join us, invest in our tokens, and be part of the solution.

Roadmap, phases

1. Community Development.
 2. WW3S Token Launch and Fundraising.
 3. Formation of a Multidisciplinary Team (World-Class Specialists).
 4. Development of Innovation Hub and First Prototype.
 5. Simulation of Extreme Conditions and Prototype Testing.
 6. Creation of Open-Source Information Repository.
 7. Expansion of the Shelter Network.
 8. Member Distribution and Onboarding.
